

Haddington Central Tenants & Residents (HCTRA) Business Minutes

Special Herdmanflat Feedback Meeting
5th June 2023
Nungate Center

1. Introductions and apologies
2. First impressions and feedback regarding the special Herdmanflat meeting with East Lothian Council.
3. Open discussion with the following points being decided;
 - Herdmanflat Steering Group to be set up and its first meeting to be organized.
 - People are advised to raise further questions and relay their feelings regarding the Herdmanflat development proposals by contacting the Housing Strategy and Development team at hsd@eastlothian.gov.uk
 - Concerns should also be raised with Haddington District Community Council even though they have already advised that they can not debate the issue until a planning proposal has been lodged.
 - The paper petition should still go ahead and be submitted to ELC along with the online petition.
 - A number of points are to be researched and explored by the Steering Group.
 - It is also felt the profile of this campaign needs to be raised.
