Haddington Central Tenants & Residents Association (HCTRA) is the largest Tenants and Residents Association here in East Lothian. We are a constituted community organization and are also a Recognized Tenants Organization (RTO) with East Lothian Council, ELHA, and Homes for Life as well as the Scottish Council for Voluntary Organizations (SCVO). In 2022 we also registered with Volunteer Scotland.

As a Tenants and Residents Association we have representation with the community council as well as the Haddington and Lammemuir Area Partnership.

Our aim is to facilitate positive change within the town and to foster an inclusive community spirit. We hope to further engage the community with social outreach projects and produce regular newsletters about local events and meetings. As a Tenants and Residents Association, we also aim to raise awareness of your concerns within the community and with local government.
