Local Group Information

East Lothian TRA wide meeting

The meeting took place on 16th September and again, there was a great turn out from the local groups.

As always, the attendees enjoyed smaller groups to share what was going on in their own communities and chat about ideas. They then as a whole group discussed various issues that arose i.e. impact of Covid-19 on their community and ELC with regard to the groups; antisocial behaviour; recycling and much more.

It was agreed another meeting would take place before the end of 2021 with some additional meetings being organised to address the issues raised.

More information to follow.

Harkness Crescent TRA

After a lot of hard work, sheer determination and a wish to succeed, the Harkness Crescent TRA project has now nearly come to an end.

A few loose ends to tie up and hopefully by the end of this year it will be complete.

A huge WELL DONE to the group for working so hard to achieve this!

Hallhill TRA

Hallhill TRA have worked hard to keep this group going during this difficult period and address the issues that arose.

They have had a huge success, working with ELTRP, Senior members of ELC and the Police to address the serious ASB issues; the feedback from the community is that it is like a new place to live – a big thank you from them to all involved.

Start your own TRA!

If you are interested in starting a TRA in your area or finding out more please contact Sue Cairns at scairns@tis.org.uk

We want TRA stories and to get in touch with what they are doing...

We are also still waiting for TRA AP rep nominations if anyone is interested please contact Sue at the address above.
